

Dear BUSSTEPP Participant,

Check-in and registration start at 2pm on Sunday in Preseli building (no. 20 on <http://www.swan.ac.uk/alumniandvisitors/MapsLocation/Campus/>).

The bar will be open from 6 and dinner is at 7.

For those arriving by train, the 4A bus runs direct from the station to the University via SINGLETON Hospital (beware: Morriston Hospital is at the other end of the route!) every 30 minutes. There are other buses but these require changing and as the main bus station is currently being redeveloped this may be interesting.

For those arriving by car, go to Preseli to check-in and unload, ask for a parking notice for your dashboard and you will be directed to the main car park.

For STFC funded students travel costs will be covered by STFC subject to the usual rules. Please keep your receipts in order to make a claim.

See you on Sunday,

Warren
